GRACE FELLOWSHIP CHURCH

6121 East County Road 100 South
Avon, IN 46123

Grace Fellowship Church has a very positive view of weddings. We believe that each wedding is not just a ceremony, but a joyous worship experience, which involves a definite request for God's blessing on the marriage. We want to be participants with you as you go through this most important occasion in your life. We believe in the scriptural admonition "...do not be unequally yoked" (II Corinthians 6:14). Therefore, marriages of two believers will be performed, marriages of two unbelievers may be performed, but a marriage of an unbeliever and a believer will not be performed.

The first step in the process: Please read this document in its entirety first, and if you agree with the rules and fees then fill out our "Building Use Request Form for Weddings." You can download this form off of our website (www.gfcavon.org).

2nd step: Email your completed form as a PDF file to Jeremy Wright jeremy@gfcavon.org Once we have received this form we will discuss it and get back with you about approval.

3rd step: If the date you request is available, and we can approve the use of the building, you may proceed with plans to carry out a ceremony at Grace Fellowship Church. We will put you in contact with our Wedding Coordinator who will require you to fill out an informational questionnaire. The Coordinator will be a resource person for you and is available to answer questions you may have regarding the ceremony and other services GFC can offer. The Coordinator will additionally assist you in organizing and coordinating details about your ceremony and will be in attendance at the rehearsal and ceremony. The Coordinator will oversee the general activities of your rehearsal and ceremony to help facilitate a smooth and joyous celebration. The Coordinator is also the person to collect the applicable fees and any other questions regarding use of the facility.
